

Dear Beloved Patron,

As we look to the future, we see a lot of uncertainty and we want to change that. We are working on moving production licenses to our 2021 Season as well as securing some of your most requested productions. We are excited to announce that our curtains will be reopening in April 2021! The safety and health of our patrons, cast, crew and staff is forefront in our minds as we pivot to navigate these new times. We anticipate that our opening performances will be at a reduced capacity, but the entertainment and fun will fill the space.

Without any further ado, *DINNERTAINMENT* 2021!

**To our valued patrons who are currently holding credits on their accounts due to suspended productions during the 2020 Season, we are going to open up reservations to you prior to the general public. We will begin rescheduling your reservations via email at [reschedule@barndinner.com](mailto:reschedule@barndinner.com) in February 2021.** We understand the frustrations that this year has caused and want to thank you for your patience in our endeavors to maintain the safety of you, our patron, our staff, and actors. If you are not yet ready to return to the theatre, your account credit will be valid for 2 years and can be applied towards a future reservation for a production of your choosing. New reservations will begin in March 2021.

We are so thankful for patrons who have continued to reach out to ask if they can help during these unprecedented times. One way that you too can help is by donating your credited tickets from the 2020 Season. You can also help by making a donation to the Theatre Arts Fund to help cover the many additional costs associated with this reopening. If you would like to do this you can email [boxoffice@barndinner.com](mailto:boxoffice@barndinner.com) with the subject line DONATE TO THEATRE ARTS.

We look forward to seeing you soon - happy, healthy, laughing, and clapping with friends and family, making memories while you *Play With Your Food* as it has been done within the walls of The Barn for the past 56 years.

Stay safe and well,  
The Barn Dinner Theatre Management & Staff
